Spring has sprung in Tennessee, and the incredible beauty of this season is only slightly damped by the pollens that attack our sinuses! But with recent world events making us aware of the urgency of these times, there comes an increasing call to us to see God's good news proclaimed to all people, languages and cultures.

FAMILY NEWS

Transformation is an understatement as we watch **Nick** grow in his relationship with the Lord! He is fully engaged in our 3rd DSM, and is preparing to begin college (probably nursing) with an eye on serving internationally! This so fits his mercy gifts. He also has a growing relationship with a wonderful young woman, Melissa Davidson. It's been great to have Nick with us here in East Tennessee for this season!

Kim is doing well in St. Louis, having completed her Emergency Medical Technician (EMT) training and licensing. She's now working hard on her Paramedics training and has once again excelled in her class. She's looking for work as an EMT to gain experience, but for now, still works full time at Apple.

Kim is a very special young woman and has an incredible destiny ahead of her.

DESTINY SCHOOL OF MINISTRY (DSM)

With just two weeks till graduation, we're thrilled at God's work in the lives of our 19 students and 8 staff. We are finishing strong, with a focus in this final quarter on reaching out to a hurting world with the callings and gifts He has placed in each one. We've explored discovering our spiritual gifts and developing our personal mission statement, leadership, spiritual warfare, and evangelism and missions. We're so proud of every one of our students and staff as they reach for the finish line!

Our next school (DSM-4) will begin next year on Feb 17th and runs through June 24th. Between now and then, we plan to host short seminars and workshops monthly to continue to offer further training.

WHAT'S AHEAD...

Our passion for the nations is being satisfied this year! Fasten your seatbelt as we globetrot!!

CALIFORNIA! (May 7-25)

In just a few weeks, we hope to connect with many of you all over CA! Almost 2 years have flown by since we last visited! While we are in Orange County, please join us on May 14th for an evening in Irvine hosted by one of our sending churches as we share and cast vision for what's ahead. Let us know if you can join us and we'll supply the details. Or... If you have time for a personal connect, we'd love to see you!

KENYA! (June 29 – July 16)

We're really, really, really excited! We've known for years that someday, we would minister in Africa! Along with a team from our church, we will be traveling to Nairobi, Kigali and Mombasa, training and encouraging national pastors, ministry leaders and missionaries.

We are so thankful for all of God's many blessings, this adventure He's led us on, and the friendships He's brought into our lives! Each of you play a big part in what God is doing in and through us through your invaluable prayers for us, through the many encouraging e-mails, texts, phone calls, etc., and through your sowing financially into our ministry and missions trips. Thank you!

Yours for Great Commission equipping,

Greg & Debby

RUSSIA! (August 4-16)

Another invitation we're praying about is St. Petersburg, Russia. Would you pray with us for clarity if we're to join this team led by our pastor, focusing on encouraging members from a church plant who have undergone tremendous persecution.

INDIA/THAILAND/CAMBODIA! (Dec 2 – Jan 27)

Our heart magnets pull us back to our beloved India, where we hope to spend most of Dec and Jan. The first few weeks, we will lead a team of our students, plus others, in the needy north of Uttar Pradesh. We will then stay on for another four weeks to re-connect with many of our former colleagues around the nation. This is a 'fathering and mothering' trip, to encourage and strengthen those we've mentored over the years who are working on the front lines. We have more ministry invitations than we can possibly serve, and need God's wisdom as we pray and plan. We then hope to serve several ministries in Cambodia and Thailand.
