GREAT COMMISSION EQUIPPING

**THE WILEYS**  
*NOVEMBER 2013*

Warmest greetings from beautiful, cool, East Tennessee, one of America's best kept secrets.

Many thanks for all the prayers lifted up for Debby as she went through her bout with shingles last month. Very quickly after we sent out the call for prayer, Debby's health improved drastically. Today, a month later, she is 90% healthy and doing great! Your prayers have great value in God's Kingdom! We're very grateful. And God is faithful!!

## INDIA-THAILAND MISSION TRIP

Our two-month mission trip to Asia is only 3 weeks away, and MUCH has come into place. This is a significant and important trip and God has confirmed it in so many ways. We'll begin our journey in Bangkok, Thailand, followed by 6 weeks in our beloved India, coming alongside several ministry leaders whom we've ministered with or mentored. We'll also be taking some time to work on writing our new books and getting refreshed after a really intense and exhausting last year. We'll then finish our trip in Chiang Mai, Thailand, as part of a nine-person prayer team ministering for a week to several hundred precious workers from a 'closed access nation'.

We still have a number of hurdles to cross including all the preparations for DSM-4 beginning in February, and an outreach trip to Nairobi, Kenya in August. But the biggest hurdle right now is the financial one! Our regular, monthly HUB missions support doesn't cover the expenses for international ministry trips. So we still need to raise about \$5,000- by the time we fly out on December 1. Would you consider investing into our ministry as we embark on this journey to India and Thailand?

Our word for this season has been "come alongside." Our desire is to equip and encourage the next generation to fulfill their destiny and extend God's Kingdom here on earth!

Thank you for your prayers, encouragements and financial "coming alongside" of us. We couldn't do what we do without you!

Yours for Great Commission equipping,

*Greg & Debby*
