## AUTUMN 2013

Dear Family and Friends,

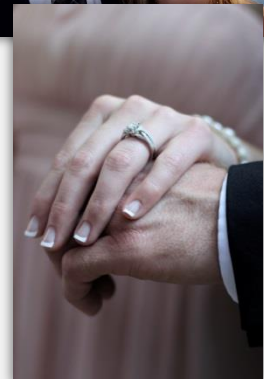

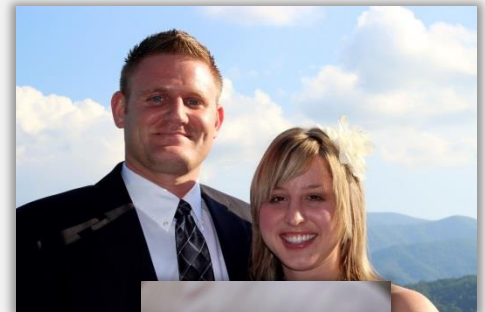

The summer has whizzed by and we're enjoying the cooler nights and drier air of the beautiful Tennessee autumn! The faithfulness of God has been our portion in this season as we've walked through many victories as well as some challenges. HE REIGNS!

Our house overflowed with guests... family and friends! We have a great young man living with Nick in the apartment, who is headed towards missions and equipping himself for his destiny... we've hosted several DSM seminars to offer further strengthening to those wanting to grow and be nurtured... relationships with those we touched hearts with in Kenya continue to develop... and the most joyous event took place on August 24th...

### FAMILY

On August 24<sup>th</sup>, Nick proposed to Melissa Davidson, and we are all now busy planning a spring wedding! It's been very sweet to watch their relationship develop, and we look forward to adding Melissa to our family! It's been awesome to see Nick grow in his relationship with the Lord!

Kim continues to excel academically as she wraps up her Paramedic training in St. Louis. She's been at the top of her class and is loving her studies and work. We're very proud of her achievements.

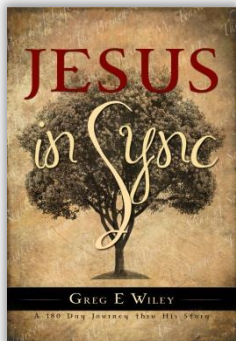

### OVERFLOW CONFERENCE 2013

Last weekend we celebrated our yearly conference OVERFLOW, and all we can say is... WOW! Worship... honoring local community leaders... praying for the nations to be reached... celebration... and more worship! Tired, but happy tired! We hosted one of the couples who form part of our church's oversight team, and enjoyed the rich fellowship and lots of laughter together!

## GLOBAL CONNECT

During Overflow weekend, we were officially installed as Heritage Fellowship's Global Connect Directors...a fancy name for Missions Leaders! It was a very touching, powerful and honoring time for us! Our international connections continue to grow as we've endeavored to sow even more intercession for the nations into the local congregation.

## WRITING

Greg's new book on the story of Jesus has taken on a depth and breadth that has amazed all of us (so says his wife!) Merging together all four gospel narratives into one seamless, freshly translated story in a devotional format has been a huge blessing, to say the least. The biggest challenge is finding blocks of time to focus, as there are just soooo many day to day responsibilities to attend to!

Deb is also starting to put her new book together, and hopes to make some headway by the end of the year.

## ASIA TRIP

Plans are coming together for our trip to Asia in December and January. It will have been two years since we've been in our beloved India. Our pastors here have recommended that we include a few weeks to "rest and write" after two very intense ministry years of pioneering Destiny School of Ministry and Global Connect. We will travel from Delhi to the Himalayas to the southwest coast! Our time will include extended periods for our writing projects (away from phones and daily responsibilities) as well as connecting with friends and colleagues.

We will finish our trip in Chiang Mai, Thailand, as part of a nine-person prayer team ministering to several hundred precious workers from a 'closed access nation'.

If you'd like to sow into this trip to Asia, see the "Donor Info" section below.

## DSM-4

Our upcoming DSM will begin on Feb 17<sup>th</sup>, shortly after we return from Asia. We look forward to investing into the lives of our many new students seeking God for their personal destiny. We have several families interested, as well as a host of single young adults. Our staff is coming together, and we look forward to working with this new group of former students and staff.
