

DSM NAIROBI REPORT *AUGUST 2014*

Greg & Debby Wiley, DSM Directors

DSM Nairobi 2014 Staff & Students

Our hearts are overflowing as we reflect on all that God accomplished during our Destiny School of Ministry in Nairobi, Kenya! May He receive all of the honor! After thousands of hours of investment and hundreds of people involved in going, praying, giving and receiving, we are so very thankful to all who sowed into this ministry! Wonderful new relationships have been formed, lives radically changed, and leaders trained. Here's a photo snapshot of our amazing trip. We'll be adding many more photos and a video presentation onto our website and Facebook page within the week.

100+ pastors and leaders gathered for 8 days of intensive equipping (34 one-and-a-half hour sessions in 8 days!!!) Personal prayer ministry over every leader brought great breakthroughs for many.

Worship fusion between the Kenyan and Heritage worship teams ushered in such a strong sense of God's presence from the very first evening! Creative worship included banners, streamers and flags of every color with the LION OF JUDAH imprinted that we sent home with each student.

Our theme "Let Heaven Roar" resonated through every session, as revelation unfolded of the Father's heart of love, Christ's Lordship, the friendship of the Holy Spirit, our authority as believers, and becoming aligned with God's Kingdom ways so that we can impact our world for the Gospel. We sent the students home with a 100+ page syllabus and several ministry resources.

We experienced great fellowship and unity with our DSM team of 13, the students and the facility staff. Many precious, new and ongoing friendships were forged! How we love the diversity in the Body of Christ!

We watched spiritual 'light bulbs' going on in people's hearts and understanding as we taught Kingdom Culture life and values, comparing our cultural worldviews with a Scriptural worldview.

We enjoyed protection as we travelled, ingested new foods, visited Kibera slum in Nairobi, and soaked in Kenyan life, including a short safari, enjoying the wonder of God's creation! No crises, no serious illnesses, and, so far, an increasing victory over jetlag!

We're grateful for each one who prayed, gave, and encouraged us in this adventure!

STUDENT TESTIMONIES FROM DSM NAIROBI

I really never wanted to come to DSM because of some issues I was going through at home which at some point they made me want to give up on God and I never wanted anything to do with God. So a pastor...pushed me to come and to tell you the truth, I have been transformed by the renewal of mind and I have seen life from God's perspective. - **PM**

This week has been my week of transformation in my life. I have really known that God is a great God. - **ANK**

Just to be sincere, my life has not remained the same. I am going home with spiritual tools to help me to ministry. Am happy! - **PWK**

I met God in this place and got to hear his voice through all the ministers more than ever before in my entire walk with him. - **MG**

From the depth of my heart this is a school with a difference not just for head knowledge but God has used the school not only to impart revelation but has empowered me from the inside of me. - **ECK**

The presence of God was awesome. I have experienced such an overflow anointing in my life. I know that my worship life will never be the same again. - **KP**

I have greatly been blessed by the training. If there is any school that has lifted me to a level higher than I was it is DSM. I have better understanding of who God is, how to be a better leader, how to mentor others, and the importance of relationships...I am definitely a better leader and a better pastor than I was two weeks ago. - **HB**
