 DESTINY SCHOOL of MINISTRY  
 INTERNATIONAL  
**Jinja UGANDA**  
 June 7-12, 2015

We're just catching our breath after three **amazing** weeks in East Africa! DSM Jinja, Uganda was over the top, far beyond what any of us could have expected. There was such a strong sense of the anointing of God's Spirit, and His grace covered all of us. Our host church, Bugembe Miracle Center, and their pastor, Robert Muhumuza, were just wonderful in how they served and sacrificed for us and the 200+ pastors and leaders who converged on their little piece of land for the training. They made it easy for us to lead! The delegates came from Uganda, Kenya, Rwanda, Nigeria and Burundi, many from small villages with little or no access to any form of mentoring or discipleship. They returned encouraged and equipped.

Those of you who have tracked closely with us will remember that we had quite a few logistical challenges that had the potential to distract, but the team pressed through, and every single person, without exception, 'finished well'! We are so proud of the team of 29, including 5 children, who endured the challenges of any developing nation... mosquitos, dust, electricity outages, spotty internet, questionable sanitation, new and different foods, a variety of tummy bugs, and many other cultural and physical challenges! And through it all, we ALL fell in love with Uganda and her peoples!

## PLEASE PRAY FOR

- **our DSM Team of 29** as they come off of a strenuous and life-changing experience as missionaries in Africa. Many said it was the hardest thing they'd ever done and, at the very same time, the best thing they'd ever done!
- **the 60+ people who gave their lives to Jesus** through our team as they reached out in love in Jesus' Name! The hunger to know God was tangible.
- **the many 100s who were ministered to and equipped** through the teaching times, the personal prayer times, and the worship times over the course of our 3 weeks in Uganda!

Enjoy this small picture gallery! There's more, and more coming, on our facebook page '[destinyschoolofministry](#)' and check out the video trailer on YouTube at <https://youtu.be/IYoXkLPOXvA>. A fuller length video is being prepared, which we'll post on facebook once it's ready later this week. If you're in the East Tennessee area, our team will be sharing about our experiences on Sunday evening, July 5<sup>th</sup> at 6:30 at Heritage Fellowship in Jefferson City. Please join us if you can!

We're so thankful for every single person who prayed, contributed financially, encouraged us, wrote emails and texts, and held the fort while we were on assignment. We remind each one that their reward is the same as ours (see 1 Samuel 30:23-25), and that we did this together as a large family!
