Dear Family and Friends,

As the season is changing and the air cooling, we have so much to be thankful for! We are encouraged, at peace, and looking forward to entering a huge season just before us!

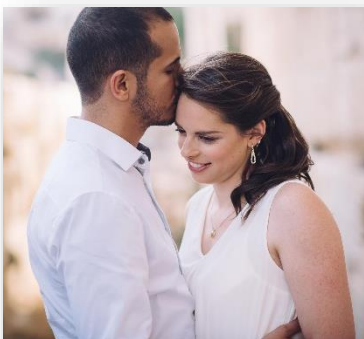

OVERFLOW 2015!

In just a few days, we will be receiving over 50 international guests for our yearly Overflow Conference. The theme this year is *NEVER LOSE THE WONDER*, and we're looking at the wonders of God from many perspectives over 4 jam-packed days. Greg is teaching the opening session using his Hubble teaching on the wonders of the heavens. Then both of us lead the Saturday morning session focusing on the wonder of the Nations. ***Please pray for us, as it's a huge privilege to serve this way.*** You can follow all of the main sessions on livestream at <http://www.heritagefellowship.us>.

DESTINY SCHOOL OF MINISTRY

Following Overflow, we will launch right in to a two week intensive Destiny School of Ministry for the 30+ international guests who are staying on for further training. We love these times, as stretching as they are! We feel like... "This is what God has made us for!" We love investing in leaders from the nations! We both lead the school, and carry a large part of the teaching but we have a great staff and several others sharing the teaching load. The admin and set up has been huge, and we still have a few more participants trickling in last minute. ***Please pray for us for strength and stamina, and mostly for anointing to carry the presence of Jesus!***

DEB IN ISRAEL

Deb had an amazing 10-day trip to Israel to attend her niece, Emily's wedding, enabling her to visit with both sisters and families, and do some special touring of the LAND! Unforgettable, special, and really significant! She returned with a severe shoulder pain which we feared was a recurrence of shingles. But, praise God it wasn't shingles! She's been seen by a doctor who referred her to chiropractic therapy. It's been hugely successful, the pain is under control, though she has a number of issues in her spine (which we knew of). Extended therapy is already having a great effect, and she's completely mobile again! ***Thank you to those who prayed!***

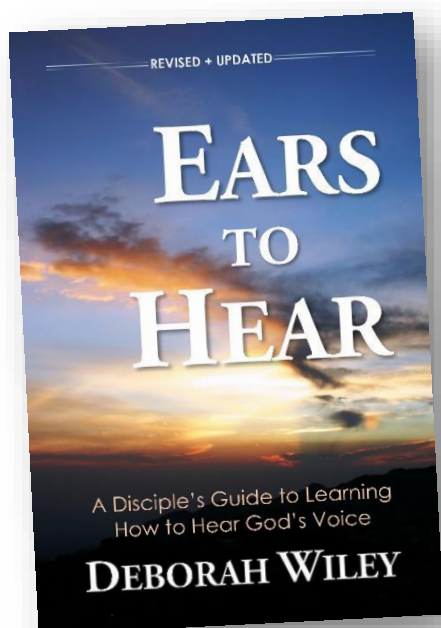

CALIFORNIA TRIP

We're taking a trip to California in late October to visit Kim, our extended family, friends, and several churches. If you are in the area, we'd love to connect. We'll be in Sacramento (10/20-22), Orange County (10/22-28) and Idyllwild (10/28-11/3). **Let us hear from you!**

PLEASE PRAY FOR

- **PEACE OF GOD** in the midst of LOTS to do and lots of responsibilities
- **ANOINTING OF THE SPIRIT OF GOD** for our leadership and teaching
- **PROTECTION** from accidents and sickness
- **STRENGTH** to finish well; physical, mental, emotional, spiritual, and relational

DEB'S BOOK

Finally, and we mean finally!... we have gotten the revised, updated version finished, just in time for Overflow. She has added a few chapters, as her understanding keeps growing. This edition has been a battle to accomplish, and we need to share this little testimony. Our goal was to have them available for Overflow, but when we submitted it for printing, the earliest arrival date possible was Sept 23rd (3 days after the conference), and the official expected date was the 30th. When we got that news, we stopped, prayed, and asked God to move it to the top of their pile. Within a few hours, we got notice that it was ALREADY printed, and on its way. They arrived Friday evening, in plenty of time for the conference! **God is so good!!!**

Ears to Hear is available through Amazon.com in paperback and in a Kindle edition, or you can order it through us (quantity discounts available)

Well, the Overflow prep calls, so we will keep this fairly short! We are so grateful for your prayers for us. This has been a very stretching year, with 3 international trips, 2 DSMs and lots of family and local things going on. We are tired but not exhausted. We need stamina, strength and anointing! **Thank you for standing with us!**
