

## THE WILEY'S SPRING 2015 NEWSLETTER

Dear Family and Friends,

We greet you from East Tennessee, where we're finally warming up after a very cold winter. The hills and trees are greening up! The Pyrus Calleryana (Bradford Pear Trees) are blooming and are remarkable! It's early spring, and it's a beautiful season to be alive!

### **DSM JINJA, UGANDA!**

We have such a huge sense of favor as we move forward in planning Destiny School of Ministry International (DSM) for early June in Jinja, Uganda. We're expecting between 200-300 pastors and leaders to come from Uganda, Kenya, and Burundi. We believe that the training and impartation will have a great influence in East Africa as leaders are equipped, strengthened and encouraged by the Holy Spirit.

Along with Peggy Price, our pastor's wife, we've just returned from a 'scouting out the land' trip to Jinja, where we experienced God's confirmation on all sides. We were able to set up all the needed infrastructure, and except for getting stuck in the snow in DC on our return, we had a very smooth trip, including no jetlag coming or going! Now, that's something to be thankful for!!

We were so very encouraged with the heart connections and open doors for ministry when we met our new Ugandan brothers and sisters. They are a special people, having endured much suffering through the terrible reign of the dictator, Idi Amin, back in the 1970s. They are humble, faith-filled, open-hearted, hospitable and warm. Truly, heroes of the faith!

Our team has come together wonderfully, with 22 adults and 5 children! The professional dance company, Zion, will be a crucial part of our team, bringing a whole new dimension of worship expression to the school. They will also be doing performances in several local schools and one large community performance for the local townspeople.

### **PRAYER OPPORTUNITIES**

*We urge you, dear friends,  
by our Lord Jesus Christ and  
by the love that the Spirit gives:  
join us in our work by praying  
fervently to God for us.*

**Romans 15:30**

- We've been given a great opportunity to lead a wonderful group of 27 faithful, gifted, gracious people on this trip to Uganda. Please pray for us for wisdom to lead them well. (see 2 Chronicles 1:10)
- Several on the team have experienced some fairly serious accidents, health issues and employment challenges since signing on for the trip. Please pray that each one would be protected, encouraged and focused on Jesus. Pray that they would remain aligned and positioned with Christ in the heavenly places, able to view their situations from that throne room perspective. (see Ephesians 1:18-22; 2:6)

## BEYOND DSM UGANDA...

Our annual Heritage Fellowship Overflow Conference will open its doors to many international leaders this year for a special 3-day conference and 10 day DSM training in mid-September. Preparation of visa documents and invitation letters for over 50 leaders (so far) has been all-consuming, coming on top of all the Uganda preparations!

## FAMILY NEWS

Kim is now fully recovered from her appendix crisis of last October, and is gaining her strength back after being off of work for almost 3 months. She has a new job and continues to love living in California.

Nick and Melissa are doing well, adjusting to married life, and establishing their own family identity. Their first anniversary is April 26! Melissa has a new job, and really enjoys it so far. Nick continues faithfully at Toyota, excelling among his co-workers. They are now leading a small group at Heritage Fellowship, and are exploring the possibility of helping with the youth from the church.

## FINANCIAL NEEDS

We need to see a great financial release for each of our team members, and for the corporate expenses for DSM Uganda. We personally need approximately \$6,500 to cover all our expenses. As well, the pastors and leaders from Uganda, Kenya, and Burundi, coming from developing nations, have very limited resources (average yearly income is between \$250- and \$1,200- per year). We will need to subsidize the greatest part of the expenses for the school, which comes to about \$25- per person. If you would be interested in contributing towards one or more pastor's training, we would be blessed! Giving instructions are below.

We are so grateful for each of you who've tracked with us all these years and shown such an interest in what God has called us to do. We couldn't do what we do without your prayers, love, encouraging notes, and financial support! We pray every blessing, much grace and shalom peace on y'all!
